-- The MAILING DATE of this communication appears on the cover sheet with the correspondence address --

1. ☒ The amendment filed on 17 February 2010 under 37 CFR 1.312 has been considered, and has been:

- a) ☐ entered.
- b) ☐ entered as directed to matters of form not affecting the scope of the invention.
- c) ☐ disapproved because the amendment was filed after the payment of the issue fee.

Any amendment filed after the date the issue fee is paid must be accompanied by a petition under 37 CFR 1.313(c)(1) and the required fee to withdraw the application from issue.

- d) ☒ disapproved. See explanation below.
- e) ☐ entered in part. See explanation below.

Claim 13 is depended on claim 1, which recites that a pigment paste has a component B with an amount in the range of 0.45-0.75%. Claim 13 recites that the pigment paste of claim 1 is mixed with at least a binder and the component B amount is in the range of 0.05-2%. This is impossible, since the component B concentration should be decreased.

/J.A. LORENZO/
